Proclamation *of Corporate Fasting*

7-Day Prayer & Humiliation for Revival

We the body of City of Light Worship Center, have been commissioned by the Lord to stand up against the evil spiritual principalities that have reigned over the City of Saint Albans, Vermont and we have been commanded by Him to exercise our God-given ability to bring down its prince by the power of the name and blood of Jesus Christ. We, along with our devoted friends, saints of the Most High God, and affiliates of this ministry, and believers of Like Precious Apostolic Faith, devoutly recognizing the Supreme Authority and just Providence of Our Creator, in all the affairs of men and of nations, have, by a resolution, determined to dedicate our efforts, through obedience to Him that has called us, beginning with this 7-day corporate fast, coupled with prayer, weeping and intercessions. As we enter this endeavor, we hereby petition the Lord to move on our behalf, and to answer His promise of guidance as we labor to bring down the dominion of satanic rule over this city. We know that it is our accredited duty to seek and trust the council of God concerning our burden for souls in the City of Saint Albans, the State of Vermont, the United States of America, as well as the entire world that we live in. Therefore we are agreeing together, charging God specifically that He bring down the prince of Saint Albans and dispatch His Holy Angels to open the eyes of those whose minds have been blinded by the god of this world so that the light of the Glorious Gospel of Christ may shine unto them (2 Corinthians 4:3-4), and that they might be converted. Additionally we acknowledge our full reliance upon the mercy of the Lord Jesus Christ to position this Local Church for True Apostolic Revival. By proclaiming this fast, we have determined to humble ourselves, through genuine repentance, personal consecration and confession of our sins, all the while looking to God for His blessed and assured hope in all these matters. We now ask Him to hear our plea for a sovereign move of His Spirit to accomplish this mission of winning souls for the Kingdom of God and the furtherance of His Holy Vision, through our efforts, and the efforts of all those who join with us in this earnest crusade for the city of Saint Albans, Vermont and extending to every city where His Saints reside. In Jesus name, Amen.
